The executive committee would like to thank the contestants, parents, and other supportive personnel who made the 2007-2008 Illinois Wrangler Division Year such a success!! This organization cannot be successful without each of the contestant's efforts and hard work to be the best he/she can be. Also we thank the parents who take the time and energy to get the contestants to the rodeos, volunteer to make sure the rodeos run on time, and supply the equipment and necessary tools for the events.

A special thank you goes to Willie Clem and his crew for their continued support and love for the Wrangler Division contestants! We could not do this without the stock and crew help with the stock! Another special thank you to those who donated awards, such as Dinkinbrinks at Shipman, Illinois. Also Wrangler Junior High Rodeo thanks Rawlings Arena for their support and willingness to allow us to rodeo in their indoor arena. Being protected from the weather conditions sure made our finals more enjoyable and consistent!!!!

We just wanted to tell all those thank you for everything that is done to make Wrangler a success!!
